

To understand the philosophy of Imam WDM, consider these key principles:

1. **Unity of Existence:** Emphasizes the interconnectedness of all beings and the divine.
2. **Ethical Living:** Advocates for moral integrity and social justice in daily life.
3. **Knowledge and Reason:** Values the pursuit of knowledge and rational thought as paths to truth.
4. **Spiritual Development:** Encourages personal growth through self-reflection and spiritual practices.
5. **Community and Solidarity:** Stresses the importance of community support and collective responsibility.
6. **Balance and Moderation:** Promotes a balanced approach to life, avoiding extremes in behavior and thought.
